SUMMARY OF RULE CHANGES

NE July 2026 – Guidelines for The Audit and Registration of Safety Management Systems (Pt. 6, Vol. 6)

The July 2026 Edition of the Guidelines for the Audit and Registration of Safety Management Systems introduces amendments to allow BKI to conduct additional audits without a company request in accident cases, permit SEEMP audits to be conducted together with Safety Management System audits, include cyber risk management verification as part of SMS audits where applicable, clarify additional audit fees, and delete outdated Customer Relation Division contact information in line with BKI's organizational structure.
